

GOLD EAGLE UNIVERSAL POWER STEERING FLUID (21302 & 21303)

DESCRIPTION:

U.S. & Import car manufacturers (Honda, Acura, GM, Ford and Chrysler) now specify specific fluids for use in power steering systems, with each having their own specifications. Gold Eagle Universal Power Steering Fluid mixes with these fluids providing protection against wear and is formulated to meet the service requirements of both the domestic and imported vehicles. Please follow fluid service requirements for vehicles under warranty. Recommended for use in:

- Honda/Acura
- GM/Saturn
- Chrysler/Jeep*
- Ford/Jaguar
- Toyota/Lexus
- Nissan/Infiniti
- VW/Audi*
- Mercedes
- Mitsubishi
- Volvo
- Mazda
- BMW
- SAAB
- Subaru
- Hyundai

**Not for use in these vehicles*

**Not for use with mopar synthetic applications or with VW/Audi central hydraulic systems.*
