

Technical Bulletin:
Date: July 21, 2015
TSB 21.7.10

Subject: CF5848 Filter Design

The CF5848 is designed with felt end discs. When installed in the vehicle's filter housing the end discs fold inward and create a tight seal between the filter centertube and the housing sealing surfaces.

Engine and equipment manufacturer's warranties remain in effect when using Service Champ filters.
